

Excmo. Ayuntamiento de  
San Pedro del Pinatar

## **Here is where you can do the "empadronamiento"**

### **Register on population register**

**(similar of the electoral role), for de UE citizens.**

But before, you need to apply for the residence.

For the residence papers, you should go first to Asuntos Sociales Office, which is behind Mercadona Supermarket. Once there, you should ask for Amina, she will tell you which papers you need, then, you need to go to Cartagena to the "Policía Nacional Oficina de Extranjería", Cl Menéndez Pelayo, Nº. 6, very close to "Plaza de España".

They will give you a green paper and with that paper, you must come back here for "empadronamiento" (Registration on the electoral role).

Because it is necessary to request a previous appointment to obtain the registration certificate in the Registry, you must provide the document accrediting the appointment in the foreigners office to obtain the green certificate.

Otherwise, the registration can only be formalized if the City Council checks through agents of the Local Police, that the residence is real and permanent in San Pedro del Pinatar.
